

Plan your Total Eclipse through a lens of inclusion!

Since 2015, Rochester Accessible Adventures, a 501(c)3 nonprofit organization, has been providing mentored inclusion training to businesses & organizations in the health & wellness industries, including recreation, sports and tourism.

Strategic, intentional, and *early* planning helps you ensure ALL potential participants, including people with physical, intellectual, and developmental disabilities, and people of all ages, body types, and health conditions, are able to fully engage!
