

Plan your eclipse event through a lens of inclusion!

Let RAA's Inclusion Specialists help you navigate the planning stages so that your events are intentionally accessible and welcoming for individuals with intellectual, developmental, and physical disabilities!

Inclusion happens best when it is planned!

We're here to help you implement inclusion!

Feel confident that you are offering the best possible accessibility during your eclipse event.

Discover and implement tangible actions that will easily remove barriers and attract more guests.

The biggest part of getting inclusion right is learning what you don't know - and we can help you!
