About ADK Ultra Cycling

ADK Ultra Cycling's goal of challenging experienced cyclists through long rides in the beautiful Adirondack region has pushed founder, John Cereri, to offer ways for people with disabilities and medical conditions to participate in the joy of cycling along the Champlain Canalway and Empire State Trails.

With On the Canals programming and partnerships with other Inclusion Partners in the Capital Region, ADK Ultra Cycling will be offering Inclusive Bike Ride and Bike & Boat Tours for varying ability levels.

ADK Ultra Cycling is a participant in the [On The Canals Accessibility Education Program](#) through NYPA/NYS Canal Corporation.
