¿Por qué avistaje de aves?

- El avistaje de aves puede hacerse almost anywhere - un sendero, el borde del bosque, la orilla, tu jardín, desde el auto o la ventana de tu casa.
- Hay muchas opciones accesibles, como monoculares, monturas de observación, apps and tech devices for seeing birds, plataformas con rampas, y más.
- Puedes observar aves utilizando varios sentidos, desde escuchar cantos hasta identificarlas visualmente, and GVAS organiza excursions inclusive of personas que utilizan dispositivos de movilidad, and they're inclusive!

 **GVAS is a participant in the On The Canals Accessibility Education Program through NYPA/NYS Canal Corporation.**

Acceso y Apoyo Adicional

Para comenzar:

1. Contacta a Loretta, la coordinadora de accesibilidad de GVAS, en loretta.morrell.gvas@gmail.com para explorar caminatas y adaptive herramientas adecuadas para ti.
2. Únete a una excursion de GVAS y descubre el mundo de la observación de aves.
3. Continúa observando aves con su grupo o descubre otros lugares a través de birdability.com.

Come join a world of wonder - and meet friends who love it, too!

GENESEE VALLEY AUDUBON SOCIETY

Why bird watching?

- Birdwatching can be done almost anywhere - a trail, the edge of the forest, the shore, your garden, from your car or your house window.
- There are many affordable options, such as monoculars, observation mounts, apps and tech devices for bird watching, ramp platforms, and more.
- You can observe birds using multiple senses, from listening to their songs to visually identifying them, and GVAS organizes excursions inclusive of people who use mobility devices, and they're inclusive!
