About Montezuma Audubon Center

Montezuma Audubon Center helps steward over 500,000 acres of nature reserve. Open Tuesdays through Saturdays from 10AM to 4PM, the Center is a wealth of knowledge on local plant and wildlife as well as serene spaces to get outside in the Finger Lakes region. They offer educational excursions, including guided kayak trips, and their staff are wonderfully welcoming!

Check out programs like Montezuma Alliance for the Restoration of Species & Habitat or For the Birds! And get a jumpstart on your nature and wildlife learning journey.
