About Parks & Trails New York

Parks & Trails New York (PTNY) powers volunteers, nonprofit partners, and municipalities to transform public spaces into more accessible, vibrant, and welcoming places. PTNY supports Friend groups, trail volunteers, Trail Town communities, and local park advocates who care deeply about the places where New Yorkers live, explore, and connect. Through training, grant programs, technical assistance, and collaboration, PTNY helps public land stewards grow their impact and invites YOU to join them!

PTNY is a participant in the [On The Canals Accessibility Education Program](#) through NYPA/NYS Canal Corporation.
